CUSTOMER AUDIENCE BUILDING

Our bespoke algorithm creates an audience of customers most likely to buy tickets to your show based on their previous ticket purchases

MULTI-CHANNEL DISTRIBUTION

We will send your shows details directly to your audience group via Email, SMS, Facebook and Instagram

Self-service Web-form → Select Audience Size → Select Channels → Price Calculated → Go!

Simply select, from our self service webform, the audience size you want, the channels you want to target them through (Email, SMS, Facebook, Instagram), review the cost and click submit to set the campaign in motion.
